## Outstanding Restaurants of CONNECTICUT

Italian-born **Chef/Owner Francesco d'Amuri** began cooking in the summer resorts in Rimini. Today, he works his magic with upscale, contemporary Italian cuisine on New Haven's State Street.

d'Amuri uses handcrafted pastas (gnocchi, ravioli, pappardelle) and the finest fish and meats to create delightful, seasonal menus.

Finish with L'Orcio's own Tiramisù, Lemon Tart or divine Flourless Chocolate Cake.

Elegant and relaxing with a European flare, L'Orcio offers three unique dining spaces plus a beautiful bar. Stop by this family-owned gem for a meal, a drink or just to say "Ciao."
